

I just returned from a local science fiction convention, and I realized I have a TON of paperbacks in inventory for my store. Since a couple of them are books that are no longer in print (but in electronic format), I thought people might be interested.

So, since people will be trick or treating this weekend, here's a treat.

PAPERBACKS ARE ALL HALF OFF (PLUS A BIT MORE)...

Not only that, but I have five copies of a cowboy Ellora's Cave card deck (maybe two or three years old?) and I'll include one with each order until they're gone. And, of course, I'll autograph each one.

And now the books...

Ghost Touch (book 1 of Dangerous Spirits – print is out of print, but in electronic format) \$6.50

StarMyst: Prodigal Son (the other out of print, but in electronic format) \$5.25

Wild Winter anthology \$7.25

Feral Fascination anthology \$6.25

Sultry Summer Fun anthology \$6.25

Ellora's Cavemen Dreams of the Oasis III \$7.50

Ready to Ride \$5.50
